## VOTING IS EASY! Here are 3 easy ways:

### Each day, visit:

1. [www.refresheverything.com/strasburgexpress](http://www.refresheverything.com/strasburgexpress) and click: "Vote for this idea" in the gray oblong voting button...  
... you will have to register for an account and obtain a user name and password first, tho!
2. If you use **Facebook**, go to: [www.refresheverything.com/strasburgexpress](http://www.refresheverything.com/strasburgexpress)... look in the right-hand column, scroll down until you see "Vote from Facebook" and just below it will be a blue oblong button that says "Install the Application"... click that button while you have your Facebook account open to your profile and install the application... you will then be able to both vote and share with your friends in one click every day directly from Facebook. YAY!
3. Or you can **TEXT** your vote by going to: [www.refresheverything.com/strasburgexpress](http://www.refresheverything.com/strasburgexpress) on 9/1 and just below the gray oblong voting button will be the "Vote from your mobile phone Text\*" that you will be able to use every day in September.

**(SPECIAL NOTE:** Strasburg Express has partnered with Find Mentors to help each other win... please also vote for [www.refresheverything.com/find-mentors](http://www.refresheverything.com/find-mentors) while you're there in order to help provide mentors to over 4 million waiting youth across the nation.)
